

# WINDBREAK WORKSHOP

## SEEDLING TREE PROGRAM 2016

**This educational workshop will teach residents about species selection for this area, planning and designing a windbreak, planting and care for seedlings, and about the seedling program. The seedling program is available to all residents no matter what size property you own. These trees, shrubs and perennials sold should be used for conservation purposes only.**

**When: Wednesday January 20, 2016 @ 7:00PM**

**Where: Franktown Firehouse, 1958 N. Hwy 83, Franktown, CO**

**Topics: Seedling Tree Program 2016  
Tree Species Selection  
Planting and Care of Seedling Trees  
Windbreak Design**

**Sponsored by: Douglas County Conservation District (DCCD)  
USDA-Natural Resources Conservation Service  
Colorado State Forest Service**

**Call or email to attend the workshop, or for a tree order form @ 303-688-3042 ext. 100, or [DCCDistrict@gmail.com](mailto:DCCDistrict@gmail.com)**
