PHCA October 2014 Eblast

Sept Annual meeting

We had a bit of a mix-up at the Sept annual 2014 meeting but we weathered through it. The current 5 board members (Cathy, Bruce, Francie, Sandra, Carmen) are continuing for another year. No new board members were added as no new candidates presented themselves. Please note as of 2015 the current board will have served their terms. Please consider joining the board to keep this organization active. Contact: [Board@ponderosahills.com](mailto:Board@ponderosahills.com) to express your interest.

Accomplishments achieved in 2014 were reviewed as well as some suggestions for changes to our activities for the 2015 year. The board will be reviewing and considering these suggestions throughout the coming year. Our thanks go to Chuck Riggs for offering those suggestions.

Next Board meeting

The November Board meeting is scheduled for Nov 12 . Please contact us if you would like to attend. [Board@ponderosahills.com](mailto:Board@ponderosahills.com)

-

PHCA Website

The board is actively pursuing changes and updates to the website to make it easier for Board members to update. This activity will incur costs so the Board is actively requesting bids at this time.

Nextdoor

This information board is proving to be pretty effective in fostering rapid communication of lost animals, questionable solicitors, and vandal activity in the neighborhood. It is also a good site to seek references of service providers and post items or services for sale. I encourage you to join if you have not already. [Ponderosahills.nextdoor.com/join](http://ponderosahills.nextdoor.com/join) use the code WPAUUU to join.

That's all for now. Hope you are all enjoying this glorious autumn weather.
