

PHCA August 2016 Eblast – Board members to be elected at Sept Meeting

Annual Meeting – It is time once again for our annual PHCA meeting and election of Board members. We have five openings this year for new board members. If you are interested in serving on the board, please contact me by September 7th. If we have more than 5 candidates we will need to plan elections.

Please indicate why you are interested in a place on the board, how long you have lived in the neighborhood and what your areas of interest might be. Serving on the PHCA board takes minimal time, we meet only once a month, but really helps the community to stay informed on topics of community wide interest such as water, roads, fire, weeds, etc. We hold only three events a year: a community pancake breakfast, dumpster day, and the annual meeting.

The annual meeting will be Thursday evening, Sept 22nd at the Parker Senior Center (10675 Longs Way). You are invited to bring a snack to share. We will have a speaker from South Metro Fire District and possibly a few others as well. If you have a topic you would like to have addressed please let the Board know by emailing us at Board@ponderohills.com.

Dumpster Day – This annual event was August 13th and was another big success. We had over 60 residents participate in bringing items for the dumpster, slash to the chipper, metal to recycle, and items to donate. This activity saves our residents lots of money and really helps to clean up the neighborhood. I heard lots of sincere thank you's from participants.

Fire Safety – signs are out and you all may have seen the burned lot at Ponderosa and Pine. We all need to be diligent about fire safety. Talk to smokers and litterers in your household. Limb up your trees and mow your fields. It only takes one thoughtless gesture to destroy our homes and neighborhood.

Ponderosa Drive – work has begun and we are told the paving will be complete by Labor Day. There will be a walking/riding path alongside the road wherever possible.

Enjoy the cooling days!
